

Bundled RH2+

Electric steam humidifier for your home - the complete package

A complete steam humidification package

The bundled configuration of the RH2+ gives you a complete package. Your contractors will be ready to install this whole-home steam humidifier with the contents of the package:

- RH2+ QDV DUCT, the quietest electrode steam humidifier in the market;
- RSD10 steam tube distributor;
- ON/OFF wall humidistat;
- 5' (1.5m) of steam hose;
- 7' (2.1m) of condensate hose

Condair, a world leader in commercial humidifier, has available a sleek and easy to maintain residential humidifier. The Nortec RH-Series humidifier by Condair features the same state-of-the-art electronic technology as our commercial units, delivering accurate and dependable humidification to your home. The benefits are clear: studies show that comfort and health can be improved by maintaining the correct relative humidity range; furnishings, instruments, and art are preserved; finally, dry skin is reduced, as well as static electricity.
